- If my ward stops using the school bus either before the end of the bus fee term 1 or before the end of the academic year, I am bound to pay the bus fee for the whole academic year.
- There is no provision of one side journey.
- Once registered for a stop, then the student will have to use the assigned bus for the whole academic year.
- Cancellation of school bus service of a student will be considered only if Transfer Certificate is issued for the student on or before 30-April-2025. In such cases of issuing Transfer Certificate, 50% of the paid bus fee will be refunded if the Transfer Certificate is issued before 30-April-2025.
- Cancellation of the bus facility or not using the school bus in the whole year after the confirmation will lead to prohibition of school bus facility to the student for the remaining years and the student will be added to the list of students prohibited from using the school bus facility. If the request for cancelation is given before the due date of second term bus fee, then 50% of second term bus fee will be refunded. If cancelation request is given after the due date of second term bus fee, no refund will be given

- If there are more students registered than the legally permitted number in a bus assigned to a particular route, then students will be selected in the following manner.
  - Priority will be given to the students who used the facility in the previous year, then to the lower class students, then to sibling of the already selected students and to the students having more distance from school.
- If there is vacancy after the first allocation, then the second allocation will be made using the same allocation policy. Allocation will continue as per the above policy till all seats are allocated.

First instalment is to be paid at the time of registration and the second instalment is to be paid between 01-11-2025 and 15-11-2025.
